

WAYS TO MAKE AN IMPACT

CREATE A TEAM

Participating as a team is the best way to get the most out of the Seacoast Cancer 5K. A team inspires more people, helps you get organized, and makes a bigger impact. Teams can represent your business, school, community, and be in support - or in memory - of a loved one that has been affected by cancer.

Visit SeacoastCancer5K.org.

BECOME A FUNDRAISER

When you register for the Seacoast Cancer 5K, you will be asked to "Become a Fundraiser." This is how your teammates join your team and create their own fundraising pages. Your choice to fundraise is vitally important to the fight against cancer in the Seacoast. The most comprehensive and complete cancer care is available right here in our community because of generous donors like you.
